

Submitter: Tina Bradfield

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3343

Again you yahoos have not don't your research! Irrigation wells and water rights are ALREADY METERED! Had you don't your research and call irrigation districts around the state you would have found this out! Farms have all kinds of regulations had you don't some research you would have found this out! I oppose this duplication of already existing laws!
