Measure, Appointment or Topic: HB3197

Hello, I'm writing this as not only a small brewery owner but also as a consumer. I strongly oppose HB 3197 as given the current state of the industry this would greatly impact small business and brewery owners alike. Additional taxes on beer and wine sales is not a good idea. There is already an established tax structure that could be better managed rather than just trying to through more taxes on our small businesses. I ask that you OPPOSE this additional tax. Thank you - Charles Porter - Little Beast Brewing
