

Submitter: Dr Thom Seal PE  
On Behalf Of: Off Grid Private Land Owner  
Committee: House Committee On Judiciary  
Measure, Appointment or Topic: HB3884

I live in remote eastern Oregon off the grid. Yes, no phone or internet on the property, no electric power except solar and generator.

With the rise of crime in Oregon and continued wildlife predators we need to protect our animals and ourselves! We cannot call for help.

Thus, we oppose all of Oregon's gun grabs as a violation of Oregon's and the US Constitution. Please reread and acknowledge "Shall not be Infringed".

Thank You Dr. Thom Seal, PE.
