

Submitter:	Angelita Sanchez
On Behalf Of:	Oppressed Oregonians
Committee:	Senate Committee On Rules
Measure, Appointment or Topic:	SJR30

When will we stop adding more regulation and layers to the only process that “We the People” have?

Essentially this stamps a “non-compete” clause onto the process, favoring those who can over those who cannot.

I am in favor of a fully competitive process, that would reduce barriers to participation not add more.

Full stop.
