Re: Support of SB210

To Whom It May Concern:

I am 99 years old and have lived in Oregon my entire life other than when I served in the Navy during WWII. Oregon's election practices should be changed back to **in person voting** which is what worked for decades. The State should require proof of U.S. citizenship before being allowed to vote. This would eliminate missing or illegible postmarks on mail in ballots.

Oregonians deserve elections that are secure and fair. The best way to accomplish that is going back to in person voting. I stand behind SB210 and urge our State leaders to stand behind this bill to protect legal voting.
