

Submitter:

Barbara Stoll

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Our Constitutional Republic Nation is based in part on democratic principles, one of which is one vote for every citizen. Oregon Vote by Mail is an a brilliant embodiment of this principle, making elections accessible to everyone who wants to participate. I strongly oppose this bill and the intent to put up barriers to the election process and I vote on every measure and in every election!
