

Submitter: J. Michael Schultz

On Behalf Of:

Committee: Senate Committee On Energy and Environment

Measure, Appointment or Topic: SB1187

As an Oregonian and member of Third Act Oregon, I wish to convey my strong support for SB 1187 to create a superfund cost recovery fund. Oregon needs every resource it can garner to address climate change and environmental impacts. Please give this bill your upmost consideration for the health and welfare of Oregonians today and for generations to come!
