

Submitter: Mark Nelsen

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3884

Enough is enough. Stop with the incremental tactics in an effort to pick away the 2nd amendment rights of lawful citizens. With all of the issues of homelessness and affordable housing, you choose to poke at gun rights. Misdirected energy's on governmental overreach. Focus on making life better, not making life more difficult for citizens and law enforcement personnel.

Thanks.
