SB210

I am in support of SB 210 for multiple reasons. I will highlight a few.

This bill addresses many of the concerns regarding elections.

Allows an elector to request (in person or over the internet) a ballot that may be voted by mail if the elector is unable to vote in person on the date of the election.

Requires valid government-issued identification/photo ID to receive an absentee ballot or when casting a ballot.

A ballot from an absent elector must be received by a county clerk not later than 8 p.m. on the date of the election.

The results of the election would be tabulated and reported on Election Day!

Please support SB 210!
