SB210

Mail in voting needs to stop immediately!!! I support senate bill 210. We need SAFE and FAIR ELECTIONS!

I feel this will clean up Oregons broken election system so I can stop worrying that my vote actually counted! It seems like all my circle of people feel the same and need this voting security. We haven't had a republican in office since 1987 when mail in voting was implemented. WEIRD. Prior to that we flip flopped between Rep and Dems and all changed when mail in voting was implemented. Let's bring back integrity in OR! YES on senate bill 210.
