

Submitter: Denise Foltz

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3343

I am writing as a private citizen of Marion County Oregon. I am vehemently opposed to metering any well in the state of Oregon. The insane amount of overreach that this bill is would not be in the best interest of our great state. It will further the divide that already exists and cause a multitude of people to just up and leave to a state that has the people in mind and not an agenda.
