

Submitter: David Brown

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SJR30

I am opposed to this bill. Oregon has a long history of government by the people. We have been able to enact legislation and constitutional amendments through the petition process. The petition process has given the people of Oregon a voice in government other states do not have. We must not dilute the ability of the people to have a voice in what the legislature does and in the laws we want to live under.

It is important for this bill to not pass.
