

Submitter: Delores Bail

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3343

Why don't Oregonians ever have a say in our State on decision you make regarding our lives.?

You seem to work against us , especially the agriculture citizens. Our lives are difficult enough. Work with us not against us. Let us be apart of the decisions made on what happens to our farms and our lives. Because we do the work! We want our water and our farms protected, it is our life. No meters on our water.
