On Behalf Of: HB 3884  
Committee: House Committee On Judiciary  
Measure, Appointment or Topic: HB3884

Dear Members of the Judiciary Committee,

I urge you to oppose HB 3884, which directs the Oregon State Police to study firearm hold agreements. While presented as a study, this bill paves the way for restrictive gun control measures that could infringe on the rights of law-abiding citizens.

Gun owners should not be coerced into relinquishing their firearms under the pretense of "safety." This legislation does nothing to combat crime or address the true causes of gun violence. Instead, it sets a troubling precedent for future limitations on responsible gun owners.

Oregon already enforces some of the strictest gun laws in the nation. More government overreach is unnecessary and unwarranted. I urge you to reject HB 3884 and uphold the constitutional rights of Oregonians.

Sincerely,  
Nicole Kotsovos
