Committee: Joint Committee On Addiction and Community Safety
Response

Measure, Appointment or Topic: HB3197

Absolutely no to more politicians not knowing or caring enough for the people of Oregon. No more taxation. We need LESS taxation. Our money isn't spent wisely as it is and the democratic super majority shows nothing but hate a disregard for the working class of Oregon.

No new taxes

No to taxes on beer, wine a cider.

No to democrats and their hatred towards Oregonians.

Enough.
