

Submitter: David Freitag

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SJR30

I vigorously oppose SJR 30. This is another misguided attempt to disenfranchise Oregon citizens in the lawmaking process. Was there a particular governance issue which requires this change to our state's Constitution? If so, I'm certainly not aware of it, and I consider myself to be reasonably well informed on governance issues.

Thank you,
David Freitag
