Climate change is the biggest scam I've ever seen! Throughout history the climate changes regardless of human interaction. This is and always had been a tax scam on the American people! We are not willing to waste our hard earned money on more taxes PERIOD!!!

Government spending is out of control. Learn to work within your budget and be better stewards of our tax dollars. Oregon needs DOGE to come in and audit our finances and eliminate fraud and abuse of our tax dollars or get defunded!
