

Submitter:	Amy Brendtro
On Behalf Of:	
Committee:	Senate Committee On Natural Resources and Wildfire
Measure, Appointment or Topic:	SB1154

Our family totally opposes the coercive control that is contained in this bill that subjugates private land owners' wells and water usage as if they had not already paid for land and water. In addition, there are already tight regulations in place that govern septic systems. This would cause endless regulation and hardship for rural property owners.
