Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or Topic: SB1154

I vehemently oppose any attempt or attack on my rights to my own water well!

I am the owner of my water supply! NOT the State!

I will not allow any trespassing by State designated "authorities" to force me to submit to these draconian rules!

We The People have a Right to our private property! Our water wells!

We paid for our well! Paid for the permit! The State did not! It has No right to decide to just take ownership and force us to just lay down and submit!

Elections and Lawsuits will have consequences!
