On Behalf Of:

Committee: Senate Committee On Natural Resources and  
Wildfire

Measure, Appointment or Topic: SB1154

Dear Chair Golden, Vice-Chair Nash, and Members of the Committee,

My name is Shirley Redman, and I live in Portland, Oregon. I am writing in support of SB 1154 to update Oregon's Groundwater Quality Management Act.

I support SB 1154 because:

- My son-in-law, daughter and granddaughter rely on well water for drinking water.
- Oregon needs a program to catch potential problem areas before an aquifer becomes too polluted for drinking water use. SB 1154's coordinated, two-step approach provides that.

Oregon needs clearly identified roles for each state agency responsible for implementing the Groundwater Quality Management Act.

Thank you in advance for your support of SB 1154.

Sincerely,

Name

City, Oregon
