Committee: Senate Committee On Natural Resources and  
Wildfire

Measure, Appointment or Topic: SB1154

I oppose SB 1154. This bill is an intrusion into our property rights and rights to do our own use to our property. Why does the party in control hate the Oregonian citizens, especially rural ones so much. Is it because we oppose you and are tired of you trying to control us by your anti-American American Marxist agenda. I oppose any legislation the party in control supports and I oppose SB 1154-1.
