

Submitter: April Mack

On Behalf Of:

Committee: Senate Committee On Natural Resources and  
Wildfire

Measure, Appointment or Topic: SB1154

This is unconstitutional, over reaching and has gotten out of control! You are playing god, kings and queens trying to control something that you have no right to. Domestic wells? Access to private property without permission? Meters to govern our water? Fees on private land water? You have NO right to what you are proposing.
