

Submitter: Beverly Hoeffler

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB149

I strongly support SB 149. Support such as proposed in this bill is urgently needed at the state level for refugees and immigrants given the cruel and inhumane immigration policies and actions by the current federal administration. As a person of faith, I firmly believe that we are called to welcome the stranger and respect the dignity of every human being in our state and country irrespective of their legal status.
