I strongly oppose this bill! This bill is not aligned with the best interest of the Oregonians who live here. This bill will line the pockets of the wealthy law makers, prohibit citizens from obtaining dreams of prosper, and is an extreme government overreach. My property is just that, MY PROPERTY!! The people of this beautiful state who are not living in Portland, Salem and Eugene (and some who do) disagree with this bill! It will affect working class families who are barely making it as it is. This governing body is severely out of touch with it's constituents regarding this bill. This bill will run this state into ruin and MY WHOLE FAMILY will suffer for this. Please vote NO for the sake of the working-class heroes keeping this state afloat (barely).
