

Submitter: James Welsh
On Behalf Of: Myself
Committee: Senate Committee On Judiciary
Measure, Appointment or Topic: SB429

I oppose SB 429. I hope SB 65 becomes law. SB 65 lets a person whose civil rights have been violated by a person acting under the color of law sue for damages and other relief. The Act lets a plaintiff who wins this type of suit recover attorney fees.

Thank you,

Jim Welsh
