Good afternoon Co-chairs Campos and Valderrama, members of the committee on the subcommittee on Human Services,

My name is Suzette Thompson and I am a DSCS at the Stabilization and Crisis Unit. I've been at SACU for 19 years and joined the workforce because I enjoy working with our individuals and believe SACU needs to continue to remain open at current service level and even expand the program to serve more individuals.

I write today in opposition to the proposed budget for the Oregon Department of Human Services as presented with a decrease in funding and the transition from state operated homes to private providers in the second year of the biennium. SACU runs crisis homes, and private providers run long-term homes. Oregon cannot afford to lose any crisis beds.

We urge this committee to carefully consider the impacts this has on the individuals served. Any funding cuts without a clear plan about how individuals will get served in other settings puts their lives at risk. As a direct care worker, this proposed budget is reckless and has lacked clear communication to all parties involved.
