

Submitter:	Rebecca Davis
On Behalf Of:	
Committee:	Senate Committee On Natural Resources and Wildfire
Measure, Appointment or Topic:	SB1154

Please do not pass this legislation. It goes against so many rights for private property owners. Water is a basic need for everyone, and interfering in people's water use creates a hardship for everyone. Let people keep their freedoms. Giving allowance to trespass is wrong and putting even more mandates on building is wrong. How this bill is so packed with ill intended initiatives is alarming. Please let Oregon residents keep their water and their private property as they need it to be.
