

Submitter:	Mark Nelson
On Behalf Of:	
Committee:	Senate Committee On Natural Resources and Wildfire
Measure, Appointment or Topic:	SB1154

We have the right to access water. Just as we have the right to breathe air and provide for our families. This is another attempt to seize control of the rural population. My rights should not be infringed upon by my government. When you try to pass bills that are contrary to your constituents, you are working against your own people. You have no right to pass bills without the knowledge connected to the field. Another Power Grab by uninformed politicians! Back off
