Good morning,

My name is Monique Bochsler and I'm writing in opposition . I firmly oppose this bill and all its amendments. Once again, you are infringing on our personal rights. It is unacceptable for anyone to trespass on private property without consent, especially to monitor the water on someone's land, as if you have the authority to do so. This is simply not acceptable. You have no right to access, monitor, restrict, or make any decisions regarding an individual's personal well, especially when you have not invested in it. I stand against this bill, and I believe the majority of Oregonians will share this sentiment once they become aware of it.

Thanks again

Monique Bochsler
