

Submitter:	Annette Seibert
On Behalf Of:	
Committee:	Senate Committee On Natural Resources and Wildfire
Measure, Appointment or Topic:	SB1154

I oppose the proposal to meter wells. Rain and run off water is free. Why should I pay Oregon for receiving environmental water. Stay off my property. The state already dictates what I can and can not do on our property. Like building a small home on 8 acres to be close to my elderly mother and take care of her. Yet big builders and corporations and do what ever they want buys up massive land plots that is where the waste is.
