SJR30

Members of the Committee,

I oppose this bill as it will make it infinitely more difficult for citizens to place a measure on the ballot. Oregon is known for its initiative process which encourages voters to participate in the governance of Oregon. The super majority, however, is not interested in citizen participation in their private club. This is obvious by the number of voter rejected measures that the legislature passed anyway, i.e. drivers licenses for illegals and the ranked choice voting bill currently in the legislature. Please reject this affront to the voters of Oregon.

Respectfully
