

Submitter:

Jamie Weil

On Behalf Of:

Committee:

Senate Committee On Judiciary

Measure, Appointment or Topic:

SB696

I strongly oppose this. Banning these will only create a black market for them and for people to make them at home. It will not prevent anyone from firing a gun at a rapid rate since that can be done on a belt loop without these devices. It would have zero affect on crimes committed also. A skilled law abiding shooter doesn't need a device to fire rapidly.
