House Committee On Judiciary

Measure, Appointment or Topic:

HB3839

I oppose HB 3839. Please vote no.

Many people submit a simple testimony like that for many bills, but it does help to give a little inkling of why you oppose it. That makes it more real to the reps/senators who are still deciding on this.

This bill is not necessary. Schools already have safety procedures in place for screening volunteers and reporting suspicious abuse. It does not add anything new to keep children safer. I oppose HB 3839. Please vote no. or

The safety of our children is very important, but this bill will not make them safer. I oppose HB 3839. Please vote no.
