Resources, and Water

Measure, Appointment or Topic: HB3343

NOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO! Keep your hands off of our property! You are POKING THE HORNETS NEST! We just want to live our lives on our own property in peace with DOMOCRATS out of it! We pay tens of thousands to implement and maintain the needed water and utilities on rural land. You get enough \$\$ in property taxes. You people keep this up and you will find hundreds of thousands of folks rally up against you with torches and pitch forks! THAT IS WHAT YOU ARE PUSHING US TO DO! Just stop with all this water rights nonsense. We will fight you! We will WIN!!
