On Behalf Of: NO TO GUN CONTROL
Committee: Senate Committee On Judiciary
Measure, Appointment or Topic: SB698

Let's be reasonable..... no one can always identify every building that may be owned/operated by a municipality, etc. We carry concealed, legally, because we have concerns about our safety, especially near Portland, for very valid reasons. People who have gone through the training and legal paperwork to carry a weapon, are NOT your enemies.

This bill is designed ONLY to CONTROL guns in Oregon, and guns don't kill people, mentally unstable people kill people. Come up with a way to track those, via the codes assigned by psychiatrists
