

Submitter: Kevin Starrett  
On Behalf Of: Oregon Firearms Federation  
Committee: House Committee On Judiciary  
Measure, Appointment or Topic: HB3884

Another bait and switch. Really why not just wait until after the hearing to introduce amendments?

Then you can be sure the public is kept in the dark.

Giving the voters a whole half hour to see amendments is making it way to easy for the rubes to be part of the process.
