On Behalf Of: SB20
Committee: Joint Committee On Ways and Means Subcommittee On Human Services
Measure, Appointment or Topic: SB5526

Dear Committee Co-Chairs Campos and Valderrama, and the fellow members of the Joint Ways and Means Subcommittee on Human Services,
I am providing this testimony in support of SB20 being fully funded within ODHS's budget. Individuals with severe disabilities deserve the right to work without losing their access to care. The state should not punish individuals by making them chose between having care and working. Please pass SB20.
