

Submitter:

Renee Stringham

On Behalf Of:

Committee:

Senate Committee On Judiciary

Measure, Appointment or Topic:

SB696

I am an 84-year-old retired physician, who for years covered the emergency room treating victims from the Saturday night, knife and gun club, the street violence that often broke out on Saturday nights. I grew up hunting and fishing and was proficient with a rifle. Semi automatic weapons have no place in our culture except to kill other human beings. I am firmly in support of this measure.
