

Statement in Support of HCR 33  
Frank David Cutsforth

I first met Frank Cutsforth when I was visiting Canby in 1986. Frank was Mr. Canby. In the nearly 40 years that I knew him, the reason he was Mr. Canby became apparent.

Frank supported Canby in every way one can imagine. He considered Canby a special place with special people. Frank seemed to know everyone on a first name basis and when you spoke with him, he made you feel like you were the only thing that mattered.

Frank supported nearly every youth organization in Canby (and many in the surrounding area) as well as a wide variety of other philanthropic organizations. When asked for help, he rarely, if ever, said no. And, he never wanted to take credit.

Frank loved baseball, cars, and the Canby Rotary Club.

Most importantly, Frank loved his family. He and his amazing wife, Kathe, raised amazing kids who have, in turn, become great members of the Canby community.

Frank was a model citizen – one that we should all emulate. The world would be a much better place if more people were like Frank Cutsforth.
