

Submitter: Miriam Calderon

On Behalf Of:

Committee: Joint Committee On Ways and Means Subcommittee On Human Services

Measure, Appointment or Topic: SB5526

Hi, I am writing in strong support of SB 20. This legislation will make a real difference for Oregonians with disabilities that are working and have specialized health care needs. This is a policy solution powered by those directly impacted, and modeled after legislation that has worked in other states. I know you have many issues this legislative session, and this bill merits prioritization. Oregon needs to get this done.
