SB698

I oppose this bill. This creates a spider web of issues for CHL holders. We should be able to carry and defend ourselves anywhere. This is a violation of our constitutional rights and would disarm people who cannot protect themselves other wise. It does nothing to curb crime from happening when most mass shooting happen in gun free zones. Criminals love knowing people cannot have guns and this will make them take advantage of that at more places. Go after criminals and stop the gun trafficking and other crimes happening that make us all feel the need to have to carry a weapon just in case.
