

Submitter:

Preston Gibson

On Behalf Of:

Committee:

Senate Committee On Judiciary

Measure, Appointment or Topic:

SB697

I strongly oppose SB697. Restricting the rights of legal adults ages 18-20 from purchasing firearms is an infringement on our 2nd Amendment right. The ability to purchase had guns has already been taken away from this age demographic. This is just another attempt at taking away our God given unalienable right as Americans to the right to bare arms. This is why I oppose SB697.
