

Submitter:	Shawn Adams
On Behalf Of:	The American people
Committee:	Senate Committee On Natural Resources and Wildfire
Measure, Appointment or Topic:	SB1154

You all are so far off course it's not even funny. All these bills lately are everything but for the people. Why don't you go back to the drawing board and figure out how to punish criminals, and help fix some of the mental health issues in the community's. That leads to drug addiction and homelessness. Instead of passing bill that decriminalize drugs and allowing the drugs run the streets.
