

Submitter:	Shane Slover
On Behalf Of:	Senseless Legislation
Committee:	Senate Committee On Judiciary
Measure, Appointment or Topic:	SB698

I oppose SB 698. This bill will prohibit legally armed citizens from entering designated public places. This bill WILL NOT DETER criminals!! This bill will not make anyone safer. The proposed bill will make citizens more vulnerable in a multitude of random public areas throughout the state. Please do not move this bill forward.
