

Submitter: Christine Anderson

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water

Measure, Appointment or Topic: HB3372

The future of our food system requires diversity of many potential small producers. Our water rights system in Oregon is impossible to navigate and difficult to acquire. Allowing small producers to earn some extra income while at the same time feeding their community is a necessary win-win for Oregonians.
