

Submitter: Billy Chatfield
On Behalf Of: We the people
Committee: Senate Committee On Energy and Environment
Measure, Appointment or Topic: SB1102

The overview page of the bill is not edited to reflect the hidden agenda in the amendment. Oregonians have to read the amendment to see the agenda of the bill that is no longer a study. So this is written as a study, but behind the scenes is a -2 amendment placing restrictions on businesses and Oregonians.

Penalizing utility companies for not meeting unrealistic and totally unnecessary climate goals will lead to more people leaving Oregon and thus a lower tax base.

I urge you to oppose this bill.
