

Submitter: Scott DeCarlo

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB696

I appose SB696 This bill shows that the people who drafted it know nothing about firearms further declaring an "emergency" is very dishonest as it just shows that you are willing to dishonestly bypass the voters . Also it is not legal because it is repugnant to our US Constitution as well as the Oregon Constitution . Thank You
Scott DeCarlo
