

Submitter:

Scott DeCarlo

On Behalf Of:

Committee:

Senate Committee On Judiciary

Measure, Appointment or Topic:

SB429

I appose SB429 This is just another way to make it hard for the public to get a firearm . It is already illegal to infringe our right to keep and bear arms but you just keep piling it on . Telling the public to follow the law when you are not is not the way to do it . Thank You Scott DeCarlo
