

Submitter: Dianna Lamb
On Behalf Of: oregon
Committee: Senate Committee On Energy and Environment
Measure, Appointment or Topic: SB1102

Please find something, someway, you can save the taxpayers money. We can't afford anymore. Homeowner insurance, gas tax, food, property tax and now utility prices all going up. Oh I forgot Kotek is on a rezoning frenzy to provide housing to able body individuals on our dime too. I guess the goal is to get us all into gov housing going to gov schools eating gov cheese, all but the gov staff. Stop
