

Submitter:

Paul Ghinga

On Behalf Of:

Committee:

Senate Committee On Judiciary

Measure, Appointment or Topic:

SB696

To whom it may concern,

Any and all gun control is unconstitutional and I do not support. To me it's people control.! It's under false premises! Hand in your rights and will protect you. Oregon is purple. Most of Oregon is rural areas and people need their firearm .

Thank you and have a wonderful day!
